Michelle Miller Earns MRP Distinction

Michelle Miller
REALTOR® - MRP
Cell:563-212-0892

Nemmers Realty congratulates Michelle Miller on earning the nationally recognized Military Relocation Professional (MRP) Certification.

As a REALTOR® with the MRP certification, Michelle understands the unique needs and times tables to relocate military staff and their families. Her MRP certification allows her access to resources that will make the transfer easier, faster, and less stressful. She is aware of their specific real estate requirements and processes as well as understand available finance benefits and support.

To earn the MRP distinction, Michelle had to: be in good standing with National Association of REALTOR®; complete the MRP certification core course and pre-class readings to learn military background information and better understand important acronyms and military culture; and complete two webinars.
